on the first \$50,000 of the sales price of the ab	ore, claim exemption from state sales or use tax payment bove non-road utility vehicle, as provided by Louisiana my use of the property other than as stated above will or use tax.
Purchaser	Signature of purchaser
Purchaser Address	Signature of purchaser Title

This form is to be completed by an authorized buyer and presented to the Office of Motor Vehicles of the Department of Public Safety and Corrections, together with the buyer's application for vehicle title and registration. A separate certificate must be submitted for each vehicle. Misuse of the exemption or this certificate by either the seller or the purchaser of a vehicle will subject either party to the civil and criminal penalties provided by law in addition to sales or use tax applicable to the property. The exemption provided by R.S. 47:305.25 is applicable only to state sales and use taxes, but is not required by state statute to be applied to the sales and use taxes levied by political subdivisions of the State.
